

Testimony OPPOSED To HB 6816 – Microstamping, 21 Age Limit & Body Armor

I am opposed to this bill due to the infringement on my Second Amendment rights.

My immediate family consists of 7 Veterans and 2 retired Law Enforcement Officers (LEO).

These people have dedicated their lives and served honorably to upholding law and order.

They are all responsible firearms handlers with the utmost respect for gun safety.

This law will add more restrictions on gun ownership while not addressing the root cause of gun violence – repeat offenders – let out of jail too early and often.

Respectfully Submitted,

Linda Buckley
